

Tailwind Enterprises Presents the First Ever

Tailwind Short Course Mountain Bike Race at Bloomer Park

July 1, 2000

WHAT: A Mountain Bike Race on a short race course at Bloomer Park in Rochester Hills.
Part of the Festival of the Hills Celebration in Rochester Hills!

WHEN: Saturday July 1, 2000 — Noon

WHERE: Bloomer Park in Rochester Hills, Michigan. Take Rochester Road to Avon Road and go one mile East on Avon to John R Road. Turn north on John R and take it straight into the park (approximately 1/2 mile).

***Note:** This race will be our first attempt with this style of racing, so we will welcome any comments or suggestions you may have. Our desire is to include this race format in our race schedule for 2001!*

RACE DESCRIPTION: A traditional mountain bike race course is normally in excess of 4 miles long. This race however, will be run on a challenging course about 2 to 2-1/2 miles long, and the length of the race will be determined by a specified time plus 2 laps. The set-up will be similar to a Cyclo-Cross race (*although we will not put any artificial barriers in the race course that you need to carry your bike over!*), but the course will favor a mountain bike. These races are Mass Start events and run in rain, snow, mud or even *sunshine!*

We expect it to be a Fast Paced Mountain Bike race that will be very challenging and *FUN!*

REGISTRATION: Opens at 10:30am, Closes 15 minutes before each race

CLASSES & TIMES: **"A" Race — 12:00 Noon** — This race is 45 minutes plus 2 Laps and is the equivalent of an Expert/Elite category Off-Road race.
