— SPECIAL NOTE —

Due to the recent restructuring within the DNR, as of the time of this printing, we have not been able to get confirmation that we can indeed use the trails for this event. For the last 3 years we have used this course on this weekend, and truly hope we can again, but if we can not, we will have a Time Trial on this date at another location. Watch our web site for updates. We will work out any problems this may cause for you, and apologize for any inconvenience. TAILWIND
